

Snape Emergency Plan

You should also plan ahead by:

- Making a household emergency plan. A template can be found at <http://snapevillage.info/cep/hep/>
- Checking your insurance cover
- Making a list of important contact numbers
- Knowing how to turn off your gas, electricity and water mains
- Remember ☎ **105** for UK Power networks, and weblink: visit <https://snapevillage.info/cep/ukpn105>
- Look up your three-words location so that, if you live in a remote postcode, emergency services can find you quickly: visit <https://snapevillage.info/cep/w3w>
- For any help with identifying the **w3w** address for your own home, [email webmaster@snapevillage.info](mailto:email_webmaster@snapevillage.info)
- Look at the Suffolk Resilience Forum for advice on how to prepare for your personal circumstances — <https://www.suffolkresilience.com/>
