Some of the burglaries were part of a series which were recorded county wide during 2020 whereby grounds equipment such as lawn mowers were being stolen. Two male suspects have been arrested for these offences, charged & found guilty at court.

The public order offences were also detected.

You might be interested to know that crime statistics can be found via the Police.uk website which displays a crime map. The map shows the locations of reported crime right down to street level and provides some detail of the offence. The link can be followed from the Crime Map Page of the Suffolk Constabulary website here <https://www.suffolk.police.uk/about-us/our-data/crime-map>.
